PROPOSED ORDER ON MONSANTO'S MOTION TO COMPEL
JURISDICTIONAL DISCOVERY FROM DEFENDANTS

Having considered all papers and arguments in support thereof, the Court finds that GTG's contacts with entities that conduct business in Missouri related to non-coding DNA sequence analysis, including Missouri contacts of GTG's licensees, are legally relevant to determining whether GTG is subject to personal jurisdiction in Missouri.

IT IS HEREBY ORDERED that:

GTG must produce all ~~documents~~ documents responsive to Request for Production Nos. 5, 6, 7, 28, and 29 and fully answer Interrogatory No. 5.

Dated 11-7-06, 2006.

The Honorable Henry E. Autrey
United States District Judge
